U.S. PUBLIC LAND SURVEY MONUMENT RECORD

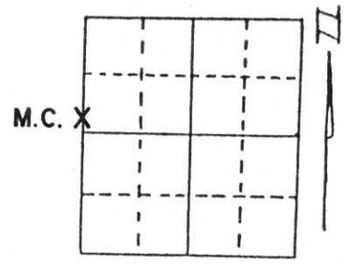
Note: This form is intended and designed to fulfill all requirements of Wisconsin Administrative Code, Chapter A-E 5.02, U.S. Public Land Survey Monument Record (3) (a) (b) (c) (d) (e) (f) (g) (h) (i). An additional sheet may be added if necessary to conform with said requirements.

(a) Corner location: Township 33 North

Range 6 East

Town/~~City/Village~~ ROCK FALLS

County LINCOLN



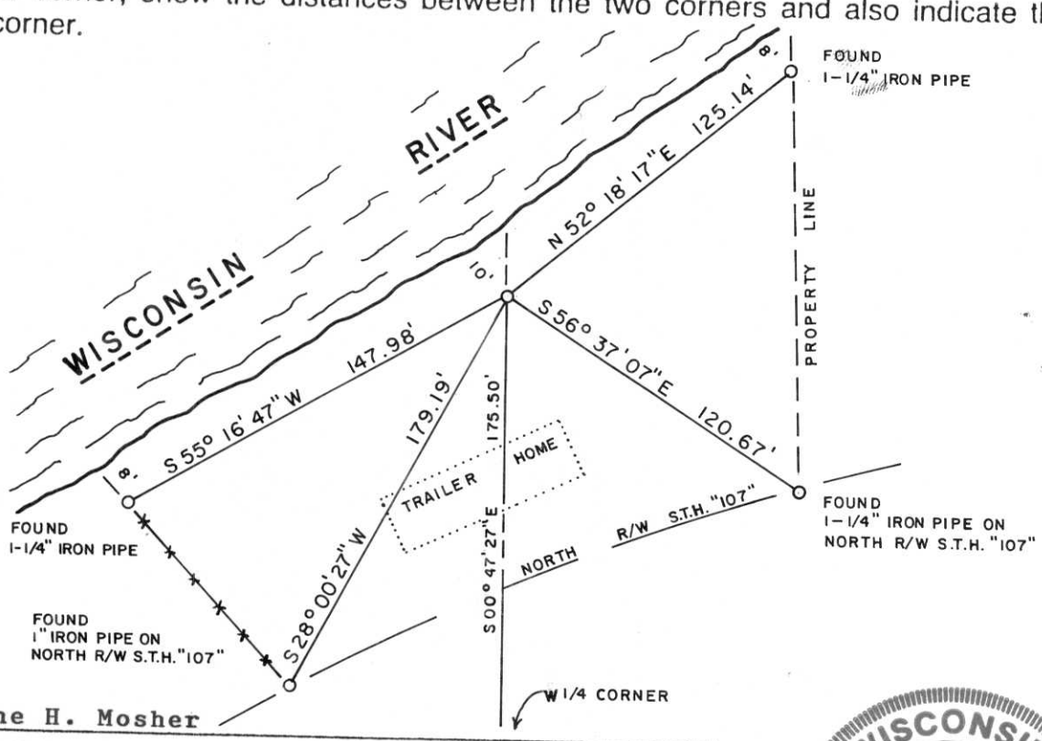
Section 16

(b) (f) (g) (h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If reestablished through lost corner proportionate methods, indicate all monuments, distances and directions used to establish.

No mention of meander corner in notes of Francis X. Fox from resurvey of Rock Falls Township in 1941. A survey by Genisot from 1975? filed with the Lincoln County Tax Description Department (County Surveyor) indicates a Meander corner was in place at that time. Area where m.c. was recovered has been graded and rock rip-rap placed along shoreline. No monument found during our survey on May 14-15, 1996. West line of section was established from old lot irons in immediate area. Set a 7/8" x 30" rebar topped with 2" disk at corner such that monument is flush with lawn surface.

RECEIVED AT LINCOLN COUNTY COURTHOUSE THIS 17 DAY OF May 1996
Pat Bailey
TAX DESCRIPTION OFFICE

(c) (d) (e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed corner.



(i) I, LaVerne H. Mosher (type or print name) certify that the corner location on this record was determined by me or under my direction and control and that this U.S. Public Land Survey Monument Record is correct and complete to the best of my knowledge and belief.
