

I, Lawrence H. Mosher, Registered Land Surveyor, hereby certify that the land surveyed, divided and mapped Assessor's Plat No. 11, together with the part of Assessor's Plat No. 418, all located in the 11th Township 31 North, Range 6 East, City of Merrill, Lincoln County, Wisconsin, described as follows:

Commencing at the Northwest Corner of Block 1, J.M. Smith & Co.'s Second Addition; thence N 00° 03' 23" W along the East line of State Street 240.00 feet to a point on the North line of Seventh Street; thence S 88° 33' 56" E along the North line of Seventh Street, 200.20 feet to the West line of Liberty Street; thence N 00° 07' 31" E along the West line of Liberty Street, 422.52 feet to the South line of Eighth Street; thence N 89° 10' 02" W along the said South line of Eighth Street, 201.49 feet to the East line of State Street; thence S 00° 03' 23" E along the East line of State Street, 420.44 feet to the point of beginning.

That I have made such survey, land division and plat by the direction of Bill Check, Lincoln Wood Products, that such plat is a correct representation of all exterior boundaries of the land surveyed and the subdivision thereof made. Dated this 29th day of June, 1990.

That I have surveyed, divided and mapped the parcel of land at Lot 418, 11, Township 31 North, Range 6 East, City of Merrill, Lincoln County, Wisconsin, described as follows:

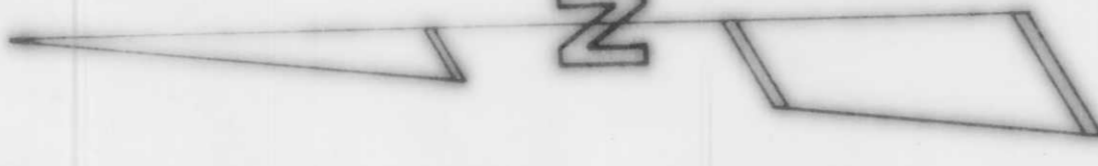

Commencing at the Northwest corner of Block 1, J.M. Smith & Company's Second Addition; thence N 00° 03' 23" W along the East line of State Street, 240.00 feet to a point on the North line of Seventh Street, said point also being the point of beginning of the parcel to be described; thence S 88° 33' 56" E along the North line of Seventh Street, 200.20 feet to the West line of Liberty Street; thence N 00° 07' 31" E along the West line of Liberty Street, 422.52 feet to the South line of Eighth Street; thence N 89° 10' 02" W along the said South line of Eighth Street, 201.49 feet to the East line of State Street; thence S 00° 03' 23" E along the East line of State Street, 420.44 feet to the point of beginning.

That I have made such survey, land division and plat by the direction of Bill Check, Lincoln Wood products.
That such plat is a correct representation of all exterior boundaries of the land surveyed and the subdivision thereof made.
Dated this 29th day of June, 1990.
