NOTES:

- Easements "A", "B" and "C" are non-exclusive private easement roads for ingress, egress and utility purposes. All intersect Squaw Lake Road at a common point for access as shown hereon. Said Easements are subject to the terms of the joint maintenance agreement and are also subject easements and agreements of record and/or fact.
- The right-of-way of Squaw Lake Road and monumented hereon was adopted by resolution by the Town of Harrison.
- Several Quit-Claim deeds to adjoining property owners were made to resolve deed overlaps and gaps, some to prior alleged survey lines whose positions were erroneous and did not match the deed descriptions based on a proper section subdivision. This was done to resolve potential claims of adjoining landowners based on these erroneous surveys and longstanding occupation and use. The boundary of the property shown hereon reflects the net property after deducting these Quit-Claim parcels.
- Legal descriptions for the Parcels and Easements shown hereon were provided to the client on separate sheets.
- The setting of monuments on the Parcel boundaries for Parcels 2, 3, 4, 6, and 7, where they fall along the centerlines of Easements "A" and "C" as shown hereon, was waived by the client (Wausau Timberlands Company) pursuant to Chapter A-E 7 of the Wisconsin Administrative Code.
