The north line as shown on this parcel was first described in Volume 106 of Deeds on page 498, dated on July 9, 1925 & recorded on July 11, 1925. The apparent intent, although not specifically stated as such, was to convey all the lands in the SE 1/4 NW 1/4. A very old fence line is near & along the north 1/16 line of Section 8, in Government Lot 1. Therefore I am calling for said north 1/16 line as being the northerly boundary line per said Volume 106 of Deeds on page 498.
