This survey was made for Rod Flohr hereafter referred to as Client. This agreement has been made between Lester J. Schmit, Timberland Surveyor and Client to exclude this survey from requirements of the Wisconsin Administrative Code Chapter A-E 7. The requirements not being complied with are: 1) A field survey traversing and connecting all monuments necessary for location of the parcels owned by the Client has not been made; 2) Monuments were not set to mark all the corners of the parcels; 3) Not all legal descriptions of the parcels have been provided; 4) The exact lengths and bearings of all boundaries of the parcels owned by the Client have not been shown on this map.

Note: Legal descriptions conforming to this survey have been provided on separate sheets.

This survey is correct to the best of my knowledge and belief.
