NOTES:

1. A legal description was provided to the client on a separate sheet.
2. The North and South lines of "This Parcel" were flagged at the time of survey.
3. We checked with the Town Clerk regarding documentation of the right-of-way of Wurl Road. She said that this came up before and that there is no official Town Road Order or dedication. She said that since there is a gap of varying width of at least 50 feet wide between the deed descriptions on the West and East sides of the roadway as shown on the map hereon, that this strip would constitute the extent of the public right-of-way.
