Bearings shown are Lincoln County Coordinate system grid bearings.
Coordinates shown are Lincoln County Coordinates NAD83(2011)

NOTES:
The centerline of the abandoned railroad grade was determined by "best fit" methods of numerous location shots on the obvious center of the existing grade in Sections 25, 36 and adjoining Section 31. The Certified Survey Maps west of the Reinhardt property do not accurately represent the west line of the abandoned railroad grade.

I, David E. Tlusty, Professional Land Surveyor, do hereby certify that by the direction of Carl Zeilon, agent for Reinhardt Lands Inc. and Charles Reinhardt Lands LLC, owners, I have made a partial boundary survey of lands in the Northeast Quarter of Section 36, Township 32 North, Range 5 East, as shown hereon. I further certify that this map is a true and correct representation of said boundaries and that this survey work and mapping are correct to the best of my knowledge and belief.
