

Lincoln County Coordinate System
grid bearings shown.

LEGEND

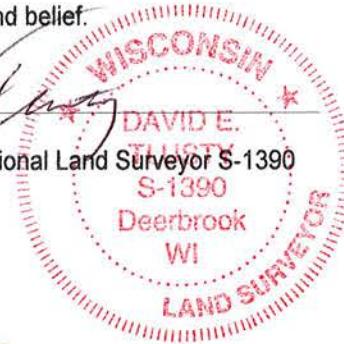

- 1 1/4" x 24" iron pipe found
 - stake set, to be replaced by landowner with a steel fence post.
Note: distances between these stakes rounded to nearest foot as most of them were set from offset points in center of old north-south road
 - Public Land Survey System corner found as noted
- Bearings shown are Lincoln County Coordinate System grid bearings

I, David E. Tlusty, Professional Land Surveyor, do hereby certify that by the direction of Robert Crucius, I have made a survey to mark the East line of the Northeast Quarter of the Northwest Quarter of Section 24, Township 33 North, Range 8 East, Lincoln County, Wisconsin, as shown hereon. This map is a true and correct representation of said survey; in compliance with A-E 7 of the Wisconsin Administrative code and is correct to the best of my knowledge and belief.
