**Project #6076 Crockett CSM
Surveyor's Report**

I, Emily K. Pierce, Professional Land Surveyor S-2728, do hereby certify that I located the East Line of Lot 2 of Certified Survey Map #2705, recorded at the Lincoln County Register of Deeds office as Document #533955, in vol. 16, page 22, located in Gov't Lot 8, Section 15, Township 34 North, Range 8 East, Town of Harrison, Lincoln County, Wisconsin; that said Certified Survey Map was completed by me and certified on the 4th day of October, 2018, approved by Lincoln County and recorded on November 15, 2018.

On August 21, 2019, the East line of Lot 2 was traversed and wood lath with flagging was installed along said line. Beginning at the point along said East Line at it's intersection with the right of way of Long Beau Ridge, a private road, at the south end of the cul-de-sac, marked by a rebar, thence measuring S22°25'54"E, a distance of 168.53 feet to an iron pipe found, said course is recorded as S22°25'58"E, a distance of 168.49 feet; thence measuring S0°31'20"E, a distance of 306.97 feet to an iron pipe, said course is recorded as S0°31'44"E, a distance of 306.99 feet, said iron pipe being the point of termination of the line surveyed. Four wood laths were installed along the first course of said line, and 9 wood laths were installed along the second course of said line. There were dirt spoils witnessed crossing said line from neighboring excavation near the north end, and a silt fence was noted crossing said line near the south end.

I further certify that this report represents an accurate account of surveying activities performed by me, or under my direction, to the best of my knowledge and belief; that I have performed such surveying activities by order of Sam Crockett; and that I have complied with the requirements of the Wisconsin Administrative Code A-E 7.

Emily K. Pierce, Professional Land Surveyor No. S2728
