History of original corner establishment:

Original Surveyor: James M. Marsh Date of Original Survey: May 10, 1851

Original Bearing Trees: Birch 8" N19°E, 20 1ks.

Hemlock 18" S60°E, 38 1ks. Hemlock 12" S30°W, 18 1ks. Birch 8" N78°W, 7 1ks.

Description of corner evidence found:

After checking with the Highway Dept. and finding there was no evidence of a corner when C.T.H. "K" was rebuilt, I decided the best available evidence was a P.K. nail which was used by Mr. Charles Offerman in the Plat of Pa-Tray Addition, and by Mr. Edwin Abendroth in the Plat of Evergreen Heights.

Description of monument and accessories I established to perpetuate the original location of this corner.
