U.S. PUBLIC LAND JULIVET WONUMEN'S RECORD

Note: This form is intended and designed to fulfill all requirements of Wisconsin Administrative Code, Chapter A-E 5.02, U.S. Public Land Survey Monument Record (3) (a) (b) (c) (d) (e) (f) (g) (h) (i). An additional sheet may be added if necessary to conform with said requirements. (a) Corner location: Township 32 North Range 7 East Town/City/Village _ MERRILL County _ LINCOLN

(b) (f) (g) (h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If reestablished through lost corner proportionate methods, indicate all monuments, distances and directions used to establish.

With the aid of an aerial photo, we found an old North South fence. Found old fence going West. Searched area for evidence of monument. Found nothing but old rotted off fence corner post. Original notes had distance from this corner, west to Prairie River. Measured from fence corner to River, along fence, matched River, fairly well. Held fence corner post as best evidence. Set Lincoln County Berntsen Monument. Steve Peterson came out to site, and said his family had owned the land all around this corner for "100 Years" they did not know of a corner at this location. Tied corner out. Section break down to East , West & North looked very good for this location.

(c) (d) (e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed corner. 16" Burr Oak -Tall Christmas Tree ALL WITNESS MONUMENTS ARE 1-1/4" IRON PIPE ALL BEARINGS ARE COMPASS OLD FENCES MOSTLY DOWN 30" Maple-David L. Osterbrink RLS (type or print name) certify that the corner location on this record was determined by me or under my direction and control and that
