INFORMATION OFFICE

Original Evidence Found - Subsequent Corner Restorations

(Include year of search, name of surveyor, evidence found and monument set.)
May 3-5, 1920, J.A. Franzen, "iron post" no mention whether found or set.

June 11, 1927, unsigned survey for road along North/South $\frac{1}{4}$ line of Section 13-31-3E. No mention of monument found or set.

Basis For Monument Location

After no evidence of the original corner nor any perpetuation thereof could be found this corner was set at the intersection of fences to North, South, East and West. I believe said fence intersection is the best available evidence of this corners location.

Tie Sketch

(Show type of monument set, at least four ties, fence lines, roads and topography.) I, hereby certify that the information shown hereon is correct and complete to the best of my knowledge and belief.
