U.S. PUBLIC LAND SURVEY MONUMENT RECORD

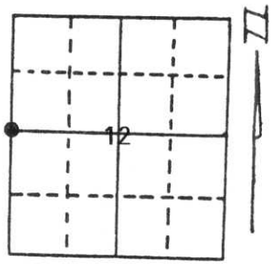
Note: This form is intended and designed to fulfill all requirements of Wisconsin Administrative Code, Chapter A-E 5.02, U.S. Public Land Survey Monument Record (3) (a) (b) (c) (d) (e) (f) (g) (h) (i). An additional sheet may be added if necessary to conform with said requirements.

(a) Corner location: Township 31 North

Range 4 East

Town/City/Village CORNING

County Lincoln



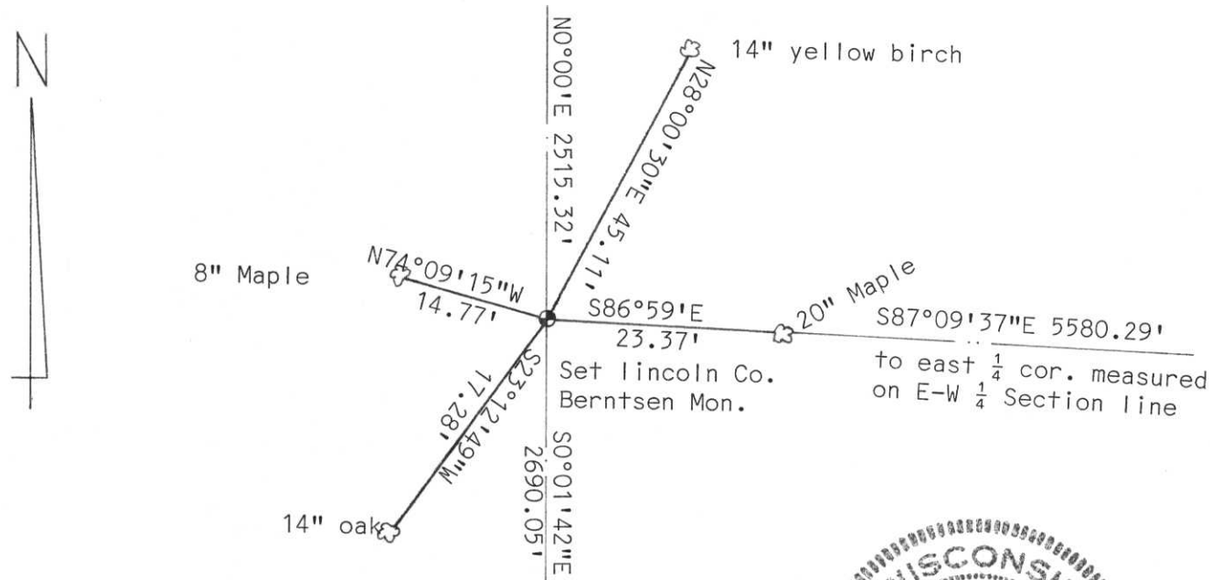
Section 12

(b) (f) (g) (h) Description of monument found at this corner and if it was accepted, state all evidence (material, testimonial, occupational, plats, records, other monuments) used as a basis for accepting. If not accepted or if nothing was found, state evidence used as basis for establishing location. If reestablished through lost corner proportionate methods, indicate all monuments, distances and directions used to establish.

No monument was found at this location, however a fence line to the south and to the east was existing. Determined that this location was correct by measurements ½ mile north and 1½ miles south, the east west location appeared correct, as corner was centered on the extention of Kienbaum Road and on fence line. Distances to occupation lines east and west appeared correct.

RECEIVED AT LINCOLN COUNTY COURTHOUSE THIS 3rd DAY OF June, 1994.
Pat Reeves
TAX DESCRIPTION OFFICE

(c) (d) (e) Plan view of corner with ties to at least 4 witness monuments. If in disagreement with previously established corner, show the distances between the two corners and also indicate the ties to the disputed corner.



(i) I, Edwin R. Abendroth RLS No. S-798 (type or print name) certify that the corner location on this record was determined by me or under my direction and control and that this U.S. Public Land Survey Monument Record is correct and complete to the best of my knowledge and belief.
