Attachment to Tie Sheet C-13, T31N, R8E

I visited corner on 12/10/2012; Book 6, pg. 24. The 6" X 6" Granite Stone Monument previously shown on tie sheet dated 01/03/2006 was found tipped in mud/water hole and susceptible to frost heave.

NOTES

- I replaced the Stone with 60" long Berntsen Aluminum Swamp Rod w/ Aluminum Cap
- All ties from 2006 tie sheet match and remain the same.
- Granite Stone was laid on its side south of the new Aluminum Rod, by Ash tree.

Anthony R. Dallman, PLS-2405

Lincoln County Surveyor
