## LINCOLN COUNTY U.S. PUBLIC LAND SURVEY MONUMENT LOCATION RECORD

LANDMARK IDENTITY: SOUTH 1/4	BENCHMARKCORNER SECTION 9 (SNM-1 NAIL)	FOUND SET RESET RE-TIED
LINCOLN COUNTY COORDINATE:		
ELEVATION-(FEET):	DATUM:	
DATE OF SURVEY: 9/12/2014	TEMPERATURE: 65	- .*F
SURVEY PARTY: KEITH WALKO	WSKI AND CHRIS FIERI	

WNSHIP	31 N	( I-11 )
RANGE	8 E	
	PINE RIVER	NO.
CITY, V	/ILLAGE, <u>TOWN</u>	<del></del> -
	section 9	
	LOCATION (Indicated Basis)	William

## BASIS FOR MONUMENT LOCATION:

(DESCRIBE METHOD OF SURVEY AND CORNER AUTHENTICATION)

1/3/2006 - K. Walkowski S-2717 visited corner and found no evidence of the corner. Was unable to dig in S.T.H. "64" per Wisconsin DOT. Recovered a downed fence line to the North which matched stationing and right-of-way posts East and West per right-of-way plat project #T0393(1). Said plat indicates the corner to be 10 feet North of the reference line. After he located the existing centerline and right-of-way posts it was determined that the centerline falls 0.30' North of the Reference Line. He held this location as the best available evidence and set a Survey Marker Nail 9.7 feet North of the centerline on extended fenceline.

9/15/2014 - I visited the corner location prior to the resurfacing of Highway "64" and recovered the Survey Marker Nail of record. Also recovered all four (4) witness monuments from the previous corner restoration form. Distances checked well. Set four (4) Berntsen SSDR-130 witness monuments and returned after construction to set a Berntsen SNM-1 Nail at the corner location.
