Attachment to Tie Sheet O-17, T31N, R8E

I visited corner on 08/13/2013; Book 6, pg. 54. I found tipped Berntsen Aluminum Monument at the corner location. The found Aluminum Monument broke while attempting to re-plumb. I set a new Berntsen Aluminum Monument at the position of the existing broken base. I set new reference ties (see notes)

NOTES

- A current tie sheet was completed by C. Fieri, PLS-2954, dated 11/20/2014 that does not show certain reference ties set by me on 08/13/2013:
 - o S 88° E, 83.45'; 7/8" Rebar w/ Aluminum Cap, N 36° E, +/-9' from power pole.
 - N 08° W, 36.25′; 7/8″ Rebar w/ Aluminum Cap, +/-9.5′ from edge of asphalt.
 - o S 07° W, 34.82′; 7/8″ Rebar w/ Aluminum Cap, +/-8′ from edge of asphalt.

Anthony R. Dallman, PLS-2405

Lincoln County Surveyor

O = Corner monument restored.

CERTIFIED LAND CORNER RESTORATION

By.....Deputy

Index No. O-17

History of original corner establishment:

Original corner was wood post. Granite stone was placed during Lincoln County remonumentation.

Description of corner evidence found:

After excavating in centerline of S.T.H. "64" at location and depth described by Ed Utecht former Town Chairman, we discovered no evidence. Set corner by single proportionate measurement.

Description of monument and accessories I established to perpetuate the original location of this corner.
