CERTIFIED LAND CORNER RESTORATION

Index No. A-3

History of original corner establishment: Surveyor: James Marsh Date: 30 July 1851 Monumentation: None. Original survey does not indicate setting a post for said N. $\frac{1}{4}$ cor., of Sec. 6, because of Prairie River, but upon measurement to the N. $\frac{1}{4}$ cor., of Sec. 5, T. 32 N., R. 8 E., it is found to be 79.98 Chains, approximately the same as the Original Survey. Said N. $\frac{1}{4}$ cor., of Sec. 5 is a granit monument, set during the same time as said N. $\frac{1}{4}$ cor., of Sec. 6.

Description of corner evidence found: A granite monument, 6" x 6" x 30", 4" above ground, set about 1912 by the Government, as witnessed by Henry Gerbig, long time resident. This granite monument is situated on a fence line (very old) running north and south.

Description of monument and accessories I established to perpetuate the original location of this corner.

Berntsen Monument - 30" (Set 1.00' south of granite monument which is N. ½ cor., Sec. 6)

Berntsen Monument is to be Witness Corner to granite monument.
