Jan. 1973 - Tie sheet for U.S.H. 51 freeway I.D.1173-01-03 shows corner located by Robert Winat in December 1972. Winat stated, "Corner location established by local resident, Mr. August Crass, iron pipe at fence intersection before Crass Road was extended Northerly in 1931. No evidence of iron pipe or original corner was found by excavating with grad-all. Accessory evidence destroyed by road construction or framing. Set Berntsen aluminum monument at Mr. Crass' location, which fits the old fences and made ties."

Aug. 2015 - Chad A. Besaw found broken Berntsen monument with ring of corrosion in Crass Road. All ties were destroyed. Accepted broken Berntsen as corner and did not replace due to newer asphalt. Witnessed as shown below:

PLAN VIEW OF CORNER WITH TIES TO AT LEAST 4 WITNESS MONUMENTS. IF IN DISAGREEMENT WITH PREVIOUSLY ESTABLISHED CORNER, SHOW THE DISTANCES BETWEEN THE TWO CORNERS AND ALSO INDICATE THE TIES TO THE DISPUTED.
