This is a perpetuation of a previous U.S.P.L.S. Monument Record by Kim H. Pritzlaff, RLS, dated November 25, 1998, and filed in the office of the Lincoln County Register of Deeds, and an earlier Certified Land Corner Restoration by Lester J. Schmit, RLS, dated Sept. 5, 1984. A complete history of the corner can be found on the previous monument records. I accept the previous location as a true and faithful perpetuation or reestablishment of the original corner location and further perpetuate it as follows.

October 4, 2017, I, James D, Rein, P.L.S, No. S-1234, did not recover the Berntsen Monument shown on the previous monument record. We did recover the witnesses monuments used by Pritzlaff. We set a 60d spike in Thomas Road, at position of Lincoln County's published county coordinates which best fit the reference monuments - see below updated witnesses.

(c)(d)(e) PLAN VIEW OF CORNER WITH TIES TO AT LEAST 4 WITNESS MONUMENTS. IF IN DISAGREEMENT WITH PREVIOUSLY ESTABLISHED CORNER, SHOW THE DISTANCE BETWEEN THE TWO CORNERS AND ALSO INDICATE THE TIES TO THE DISPUTED CORNER.

Surveyor: Jackson L. Prentice

Date: January 1855

Monumentation: Wood Post

Witnesses: Pine 12", S 39° E, 22 links Lynn 9", N 49° W, 9 links

Description of corner evidence found: On a map by Northwoods dividing Government Lots 9 and 10, Section 14, it called for an axle shaft as being the corner. No axle shaft or pipe or monument was found at the corner location. Extending a line from the Southwest corner through the South 1/16 Southwest corner of Section 14 and using bearing trees for the South 1/16 Corner by Northwoods, I relocated the position of the South 1/16 Corner of Section 14.

Existing witnesses: 7" red maple, N 13° E, 21.22" 9" sugar maple, S 27° W, 32.36'

Description of monument and accessories I established to perpetuate the original location of this corner.

Set a Berntsen monument 6" below surface and 4 $^{\circ}$ south of the centreline of Thomas Road for the corner.
