Survey Report – Weber Property

Dear Surveyor:

REI Engineering (REI) was hired by Dennis Weber to retrace his property boundary located at 1004 Superior Street in Merrill, Wisconsin, being Lot 8 of Champagne Park Subdivision, recorded as Document Number 551432, filed in the Lincoln County Register of Deeds Office. REI's field crew used RTK GPS and were able to locate all the monuments of Lot 8. It was determined the monuments described were the same as the original survey and the bearings and distances matched recorded bearings and distances as shown on the recorded Champagne Park Subdivision. Additionally, wood lath were placed along the north line of Lot 8 to aid in visual reference.

Sincerely,
REI Engineering, Inc.
