Survey Report – Matthew Reiche

Dear Lincoln County Land Services,

REI Engineering (REI) was hired by Matthew Reiche to survey his South property line for his property located at 1008 Superior Street in the City of Merrill. REI obtained the Certified Survey Map for the property recorded as Certified Survey Map number 2907 in Volume 17 on Page 200 as Document number 557483, filed in the Lincoln County Register of Deeds office. The map was signed by Nathan J. Wincentsen on February 22nd of 2022. REI's field crew used RTK GPS and were able to locate and confirm measurements to all the monuments shown on the South line from the previously filed Certified Survey Map. It was determined that the monuments described were the same and the bearings and distances matched those shown on the Certified Survey Map. Additionally, lath were set on the South property line.

Sincerely,
REI Engineering, Inc.
