Survey Report – John Desjardins

Dear Lincoln County Land Services,

REI Engineering (REI) was hired by John Desjardins to survey his North property line for his property located at N2609 East Shore Drive in the Town of Merrill. REI obtained the Certified Survey Map for the property recorded as Certified Survey Map number 2177 in Volume 12 on Page 8 as Document number 471603, filed in the Lincoln County Register of Deeds office. The map was signed by Laverne H. Mosher on November 22nd of 2008. REI's field crew used RTK GPS and were able to locate and confirm measurements to all the monuments shown on the North line from the previously filed Certified Survey Map. It was determined that the monuments described were the same and the bearings and distances matched those shown on the Certified Survey Map. Additionally, lath were set on the North property line.

Sincerely,
REI Engineering, Inc.
